The Alzheimer Societies in Ontario are grateful to all those businesses, organizations and/or individuals who seek to conduct a third party event in support of our mission.

Protecting the Society's hard earned reputation by being associated with quality third party events is more important than the incremental funds raised by those events. With this in mind, the undersigned agrees to the following when conducting third party events to benefit the Alzheimer Society.

1. The business/organization/individual will not open any bank accounts using the Society's name or Taxpayer Identification Number (TIN). Any cheque donations listing the Society as "Payee" will be forwarded to the Society for deposit in a Society bank account.
2. Only donations made directly to the Society are tax deductible (to the extent permitted by law).

3. Due to limited personnel resources, the Society cannot provide staff support to third party events.
4. The business/organization/individual agrees to minimize expenses related to the third party event.
5. The business/organization/individual agrees to an “open book” policy, and to provide an event plan and budget, if requested.
6. Only the Anything for Alzheimer's logo, and not the Alzheimer Society logo, may be used for promotion of a third party event.
7. The Society will not enter into any agreement with a business/organization/individual when there is a potential conflict of interest with the Society's programs and policies.
8. All fundraising is to be conducted for the exclusive benefit of the Society. Any variance must be approved by the Society in advance of the event.
9. The Society does not release volunteer or donor names.
10. All third party event organizers are responsible for providing insurance as required by law, or established business practice.
